Career Experience

Steelcase, Inc. — Proposal Writer & Content Strategist (2022–2026)
- Led content strategy for complex RFPs, translating technical and SME input into clear, persuasive narratives that differentiated Steelcase in competitive bids.
- Gathered insights across sales, design, sustainability, and operations to shape unified messaging for proposals and client engagements.
- Developed and maintained content frameworks and knowledge libraries that empowered sales teams to communicate consistently while following brand standards.
